**\*Open Enrollment for in-district students takes place in February.** Applications are accepted on a first-come, first-served basis if space is available (limit: 50 students per grade). **Current TAF Academy students and siblings of TAF Academy students have priority.** Applicants who live outside of the Totem service area must also complete a Choice Enrollment application and make a one-year commitment. If applications exceed available slots for any grade, all applications for that grade will go into a lottery in March. Applicants not chosen in the lottery will be wait-listed, ranked according to when received. Post-lottery applications are accepted or wait-listed as necessary for the applicable grade. **Out-of-district applications are accepted beginning August 1st** on a first-come, first-served basis, and wait-listed as necessary.
