*** Open Enrollment starts February, 2010 for FWPS students. Limit: 50 students per grade. Students living within the Totem Middle School service area and siblings of TAF A students have priority during February only. If we receive more than 50 applications for any grade, all non-priority applications will go into a lottery in March. Applicants not chosen in the lottery will be placed on a waiting list according to date/time received. Post-lottery applications are wait-listed if appropriate. **FWPS students who live outside of the Totem service area must file a Choice Enrollment Form with the Superintendent's Office and make a one-year commitment to TAF A. We cannot accept out-of-district applications until August 1st. Out-of-district applicants must submit a completed District Transfer form from their home district in addition to the FWPS Choice Enrollment form.****
