

School Year 2009-2010

MEMBERSHIP FORM

TAF Academy offers your child a unique opportunity for learning while offering you the advantage of making an impact on your child's education! JOIN T.A.P. and join a fun and motivated group of parents.

T.A.P membership has its PRIVILEGES. Studies show that involved parents give your kids more stability and a strong foundation not only for school, but for life. The privileges are far reaching and rewarding, allowing you as a parent the inside track and the opportunity to share your skills to further enhance your child's education. T.A.P. will benefit from anything you have to offer – TIME, DONATIONS, IDEAS, and FEEDBACK.

Attending the meetings will also benefit your child in a way that will keep them motivated to have you involved. Every time you attend, a pass will be given out that will allow your child 1 FREE DRESS DAY. IT'S A WIN-WIN!

T.A.P. is dedicated to cultivating an open and inviting experience for the kids, staff, and parents to share their ideas in a constructive and productive manner.

YES, I would like to be a voting member! The Annual Membership is \$20.
