### **Lee Benner** Development Officer

Lee has many years of non-profit management in the areas of environmental conservation and education. Prior to joining TAF she worked at a K-8 school overseeing their capital campaign and resource development program. Her extensive experience with the Washington Energy Extension Service provided a solid background in program management, community resource development and volunteer programs. She is excited about expanding TAF's mission and the creation of TAF's Community Learning Space. When not at TAF, she enjoys cheering on the Mariners, hiking new trails, in her garden, or trying out new recipes on her family and friends.

### **Job Description:**

Lee is responsible for developing and overseeing all aspects of a growing department, which currently includes three full-time professional staff. She assists the Executive Director with board development and engages the board in resource development activities. She works closely with the TAF Board of Directors on the Launching Our Children's Futures capital campaign.
