Miya McClain

Miya McClain was born and raised in Seattle, WA. Miya was first introduced to TAF when she enrolled in the TTIP program. Through TTIP, she fell in love with computers and went on to major in Computer Science at Mills College in Oakland, CA. She currently works at Microsoft where she is a Software Design Engineer in Test. In this role, Miya works on the website Office Online testing various features. Office Online is a worldwide website that enhances the Office client experience by offering hundreds of articles, downloadable templates and clip art, and interactive training.

Miya is married to Dwayne McClain and has one daughter, Layla. They reside in Seattle.
